Elective Course III
Official Statistics
Simulation Techniques
Econometrics
Practical Work
Data Analysis
Elective Course II
Multivariate Analysis
Category Data Analysis
Time Series Analysis
Research Methodology
Data Mining
MK Pengayaan
Non Parametric Statistics
Stochastic Process
Statistical Quality Control
Mathematical Statistics II
Technopreneurship
Elective Course I
Explorative Data Analysis
Experimental
Mathematical Statistics I
Statistical Computation
Mathematics IV
Operation
Numerical Analysis
Regression Analysis
Linear Algebra
Probability Theory
Mathematics III
Pancasila
Sampling and Survey Techniques
Computer Programming
