

Sustainable Peering Infrastructure (SPI) Application

Please note: The portal does not autosave; therefore, you must click the [Save] button to ensure your data will not be lost. Your session will timeout after 60 minutes of inactivity.

Organization Information

Organization Name:

Location:

Primary Contact:

Signatory Contact:

Additional Contact:

Note: Your application should have at least two different points of contact. The signatory will receive all legal documents to sign on behalf of his or her organization.

- Does your organization have a bank account in the organization's name, and can it receive funds from a foundation based in the United States? (Yes/No)
- Please demonstrate your organization's capacity to manage a grant award up to US\$X in the proposed timeframe (X months): *
 - Share examples of previous grants awarded to your organization. You can provide URLs to award announcements and press releases, a copy of your organization's annual budget that includes funding amounts, or other evidence of experience in and capacity to manage an award of this size.

You may upload other documents below by clicking on the + button.

Required: Please attach a copy of your organization's governing document (such as articles of incorporation, organizational charter, by-laws, or other).

If you have multiple governing documents, please upload the one that most clearly and comprehensively outlines the organization's purpose and activities. This document is required.

Once uploaded, you can find this document further below in the Organization Documents section.

Application Details

- Which program are you applying to? (IXP Support Grant, Peering Ecosystem Support Grant) *
- Project Title *
- Project Budget in \$USD: *
- Project Start Date: *
- Project End Date: *
- How many countries will your project impact?
If more than one country, please select them in order of highest to lowest impact. No more than three countries will be monitored individually.
- Provide a general description of the proposed project. It should include the precise location(s), a clear problem statement, a specific solution, and a description of all key activities: *
- What is the current state of the peering and interconnection community in the location you wish to serve? Describe the local IXPs, technical communities, and/or policy landscape in the locality.
- Describe how you will use this grant to support the local peering and interconnection community. Explain your planned activities or the new or enhanced services you will offer. *

Indicators and Measurements

What specific indicators will you track and measure along the way?

Please select at least 1 indicator (maximum of 3) and provide your target number and data collection method for each.

- Select Indicator 1: *
 - Increase in traffic volume and/or port speed
 - Increase in the number of peers
 - Number of people trained
 - Improved routing security
 - If 'Select Indicator 1' = Other
- Indicator 1 – Target Number: *
- Indicator 1 – Data Collection Method: *
 - Explanation Text: How and at which frequency will you collect data for this indicator (please describe which data collection method(s) you will

use: e.g. focus group, interview, survey, participant list, form, observation, etc. and ensure that this is in line with what you've put in your proposal)

- Select Indicator 2: (Optional)
 - Same Translation as Indicator 1, but Indicator 2 is optional
- Select Indicator 3: (Optional)
 - Same Translation as Indicator 1, but Indicator 3 is optional

Funding Information

- Do you have other funds secured or requested for this event? * (Yes/No)
 - If Yes - Please explain how much you are receiving/have received and for what purpose: *
- Are you currently receiving or have you in the past received any other funding from the Internet Society or Internet Society Foundation? * (Yes/No)
 - If Yes - Please explain how much you are receiving/have received and for what purpose *

Documents for your Application

- Please upload a full project budget; the template is found [here](#).
- Please **do not** upload any banking information into Fluxx.

Please note that if the documents you are submitting are not in English, the Internet Society may use a third-party service to translate them. Accuracy cannot be guaranteed. By submitting this application, you are consenting to this practice.
