## TESTIMONY FROM KNB STUDENTS

**Sima Neyrizi**

**Islamic Republic of Iran – Master Degree at Geomatics Engineering**

Grateful for the transformative KNB scholarship in Indonesia, providing both financial support and a world-class education. The rigorous selection process acknowledged my potential, leading to immersion in a vibrant academic environment. Financial assistance eased the burden, allowing wholehearted focus on studies. Exposure to diverse perspectives and top-notch professors enriched my academic journey. Beyond academics, the KNB scholarship created a global network, fostering cultural exchange and lasting friendships. It's been a transformative journey shaping my character and expanding my worldview. I look forward to contributing to the global community.

**Wasim Raza**

**Pakistan – Master Degree at Mathematics**

I am so grateful to have received the KNB Fully Funded Scholarship at ITS University in 2021. This scholarship has been a lifesaver for me, as it has allowed me to fully focus on my studies without having to worry about financial burdens. The support provided by the scholarship has been invaluable. Not only have I been able to pay for my tuition and living expenses, but I have also been able to participate in various extracurricular activities and research projects that have enhanced my learning experience.

**Ntivuguruzwa Jean De La Croix**

**Rwanda – Doctoral Degree at Computer Science**

I thank Indonesian government so much for giving me the opportunity to continue my education to a Ph.D level through KNB scholarship. Your support helps me study at one of the best universities in the world, Institute Technology Sepuluh Nopember (ITS). I am grateful for the quality service and empathy of all ITS community.
