Pada halaman **Departemen & Fakultas**, scroll ke bawah, lihat langkah ke – 3 dan klik “ini”

DEPARTEMEN & FAKULTAS

Akreditasi ITS me
secara komprehe
dilakukan oleh se
yang dibutuhkan

Melalui aplikasi I
interaktif sehing

1. Dashboard Pr
nantinya akan di
dikumpulkan dai

ditampilkan dalam satu layar visualisasi secara *real time*. Hal ini dikarenakan, masing-masing perwakilan dari setiap Program Studi di ITS memiliki akses yang memungkinkan setiap *user* yang bersangkutan mampu melakukan **Refresh Data** Dashboard PRODI. Dengan demikian, pengguna dapat mengetahui *update* laporan saat itu juga.

Dalam hal ini, Power BI yang akan digunakan adalah Power BI Desktop. Langkah-langkah cara menggunakan:

1. Pastikan **powerBI Desktop** telah terinstall di komputer masing – masing
2. Lakukan penyesuaian data pada laman web <https://data.its.ac.id/akreditasi>
3. Unduh Power BI Desktop. Silahkan kunjungi halaman **ini**
4. Install Power BI Desktop.
5. Unduh file PBI pada laman **ini**.
6. Buka file **Prodi_v[xx].pbix** atau **prodi_akademik_v[xx].pbix** atau **prodi_dosen_v[xx].pbix** atau **prodi_tendik_v[xx].pbix**
7. Lakukan pengaturan refresh data. Panduan cara melakukan refresh data bisa dilihat di **sini**
8. Jika berada di luar kampus ITS atau dengan jaringan di luar kampus ITS, wajib mengaktifkan dulu akses VPN, yang dapat dilihat di **sini**

Klik tombol **Download** pada halaman Download. User dapat memilih Bahasa yang ingin diterapkan melalui menu **Select Language**

The screenshot shows the Microsoft Power BI Desktop Download Center page. It features a header with the Microsoft logo and navigation links for Download Center, Windows, Office, and Web browser. The main content area includes a large image of a Power BI dashboard with the text "Power BI Transform data into actionable insights with dashboards and reports" and a "LEARN MORE >" button. To the right, there is a "Select Language" dropdown menu set to "English" and a red "Download" button. Below this, there is a section titled "Microsoft Power BI Desktop" with a description: "Microsoft Power BI Desktop is built for the analyst. It combines state-of-the-art interactive visualizations, with industry-leading data query and modeling built-in. Create and publish your reports to Power BI. Power BI Desktop helps you empower others with timely critical insights, anytime, anywhere." Below the description, there are three expandable sections: "Details", "System Requirements", and "Install Instructions". At the bottom, there is another "Select Language" dropdown menu set to "English" and a red "Download" button. Dashed orange arrows point from the "Download" button in the top right to the "Select Language" dropdown in the top right, and from the "Download" button in the bottom right to the "Select Language" dropdown in the bottom right.
