# eAsia Joint Research Program

The e-ASIA Joint Research Program (e-ASIA JRP) adalah inisiatif bersama oleh organisasi pendanaan publik di negara-negara anggota KTT Asia Timur. Organisasi ini diresmikan pada Juni 2012 oleh 9 organisasi anggota dari 8 negara, dan terus berkembang.

## Tujuan

1

berkontribusi untuk memperkuat komunitas sains dan teknologi serta kemampuan riset

2

menciptakan inovasi untuk mengatasi tantangan bersama, seperti perubahan iklim, bencana alam, dan penyakit menular.

mempromosikan kerjasama penelitian internasional multilateral atas dasar kemitraan yang setara dengan fokus utama pada wilayah Asia Tenggara

Kegiatan lain dari JRP e-ASIA adalah mempromosikan pembangunan jaringan di kawasan melalui lokakarya dan dialog dengan para peneliti. Selain itu juga memfasilitasi pertukaran informasi di antara anggota organisasi

# Framework for Cooperation

## ◆ Multilateral Cooperation

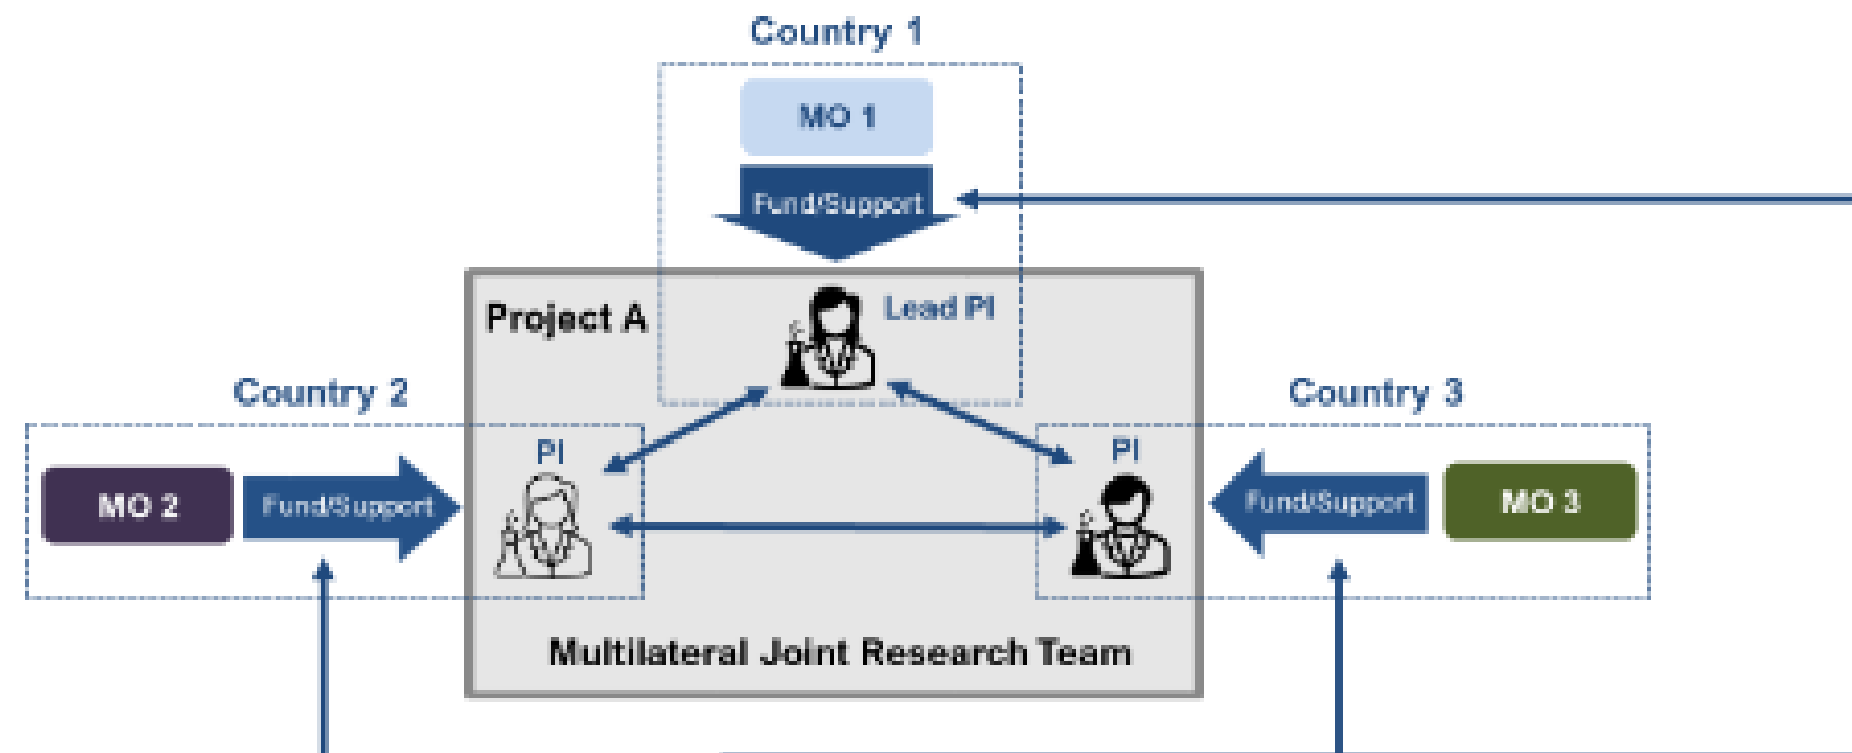

- Joint research team must consist of 3 or more countries.

## ◆ Co-funding/support

- Each Principal Investigator (PI) receives its own country's fund/support.
- Funds/supports do not cross the border.

# Modalities of Fund/Support

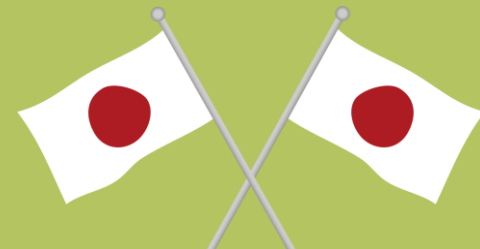

- ◆ **New**
  - New fund by its country's MO, solely for the e-ASIA project
- ◆ **Re-budgeting**
  - Re-allocation of pre-existing fund by its country's MO to the e-ASIA project
- ◆ **In-kind**
  - No fund by its country's MO but other pre-existing fund(s) from other source(s)

# Participating Countries

## Low Carbon Society

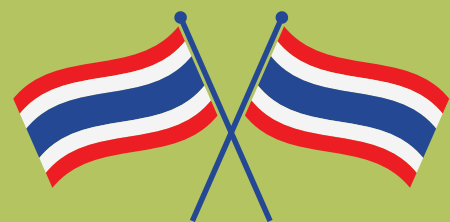

Indonesia: Ministry of Education, Culture, Research and Technology (DIKBUDRISTEK)

Japan: Japan Science and Technology Agency (JST)

Lao PDR: Ministry of Education and Sports (MOES)

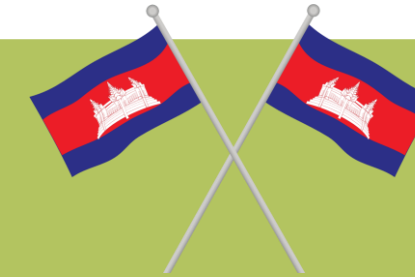

Thailand: National Research Council of Thailand (NRCT)  
&  
Thailand: Program Management Unit for Human Resources & Institutional Development, Research and Innovation (PMU-B)

## Climate Change and Health Research

Australia: National Health and Medical Research Council (NHMRC)

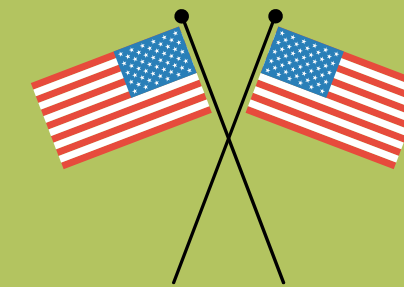

Cambodia: Ministry of Health (MOH)

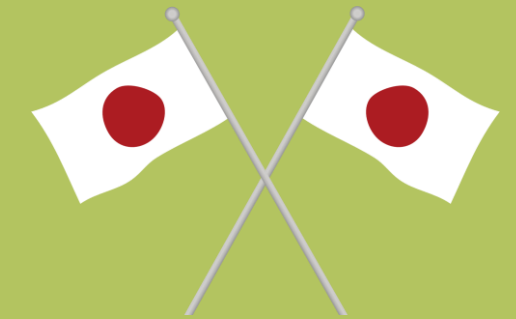

Lao PDR: Ministry of Health (MOH)

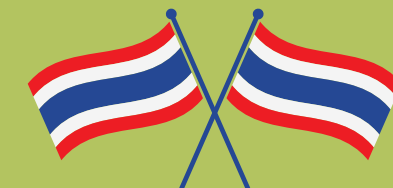

Indonesia: Ministry of Education, Culture, Research and Technology (DIKBUDRISTEK)

USA: National Cancer Institute (NCI) & USA: National Institute of Allergy and Infectious Diseases (NIAID)

Japan Agency for Medical Research and Development (AMED)

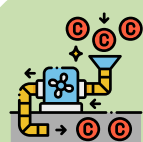

Thailand: Program Management Unit for Human Resources & Institutional Development, Research and Innovation (PMU-B)

# TOPICS

## Low Carbon Society

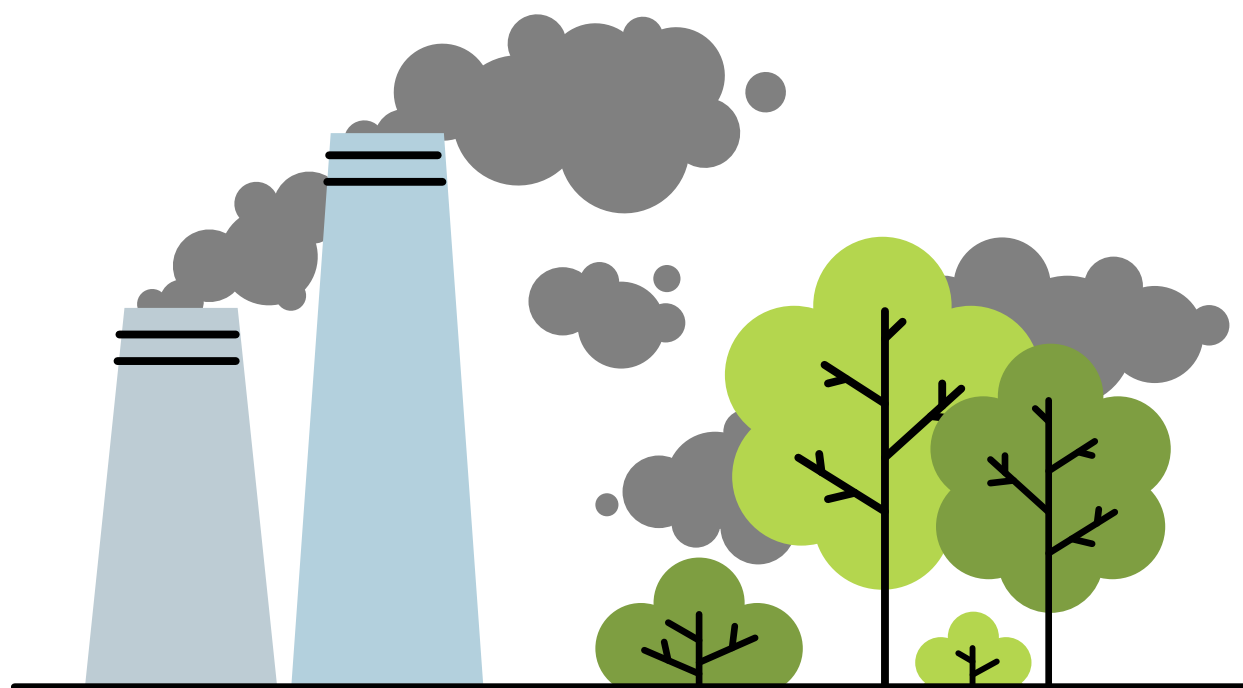

Carbon Capture, Utilization and Storage (CCUS)

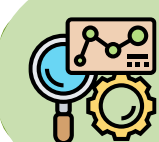

Systematic understanding the status of environment, and people's action change

Recycling of batteries and development of alternative materials for batteries, including utilizing natural resources in participating countries

## Climate Change and Health Research

Medical devices such

- 1 diagnostic kits
- 2 wearable/portable vital sign monitoring devices
- 3 contactless vital sign monitoring devices
- 4 contactless human activity recognition
- 5 smart indoor localization and tracking devices
- 6 smart infusion pump
- 7 oxygen therapeutic devices
- 8 cardiovascular and cardiopulmonary monitoring devices

Basic, clinical, applied biomedical, and behavioral research in the prevention of the new pandemic caused by climate change as it relates to human health

Pelaksanaan  
Penelitian

# Kelayakan

---

▶▶▶ PI dari Indonesia adalah dosen dari Perguruan Tinggi di bawah DIKBUDRISTEK, memiliki NIDN dan memiliki akun SINTA;

▶▶▶ Bergelar Doktor

▶▶▶ Warga negara Indonesia dengan status kepegawaian dosen tetap

▶▶▶ Anggota : dari Perguruan Tinggi atau lembaga penelitian di Indonesia;

▶▶▶ Kompeten dalam kemampuan bahasa Inggris lisan dan tulisan;

Pemenang pendanaan dan besaran dana akan ditentukan melalui proses evaluasi oleh reviewer yang ditugaskan oleh DIKBUDRISTEK

# Luaran

---

## Per tahun

- a) satu artikel di jurnal internasional terindeks pada basis data internasional bereputasi; atau
- b) satu artikel di jurnal nasional terakreditasi SINTA 1 atau 2; atau
- c) satu buku hasil penelitian ber-ISBN;

## Tahun Terakhir

- paten/paten sederhana terdaftar, atau
- perlindungan varietas tanaman (PVT) terdaftar, atau
- desain tata letak sirkuit terpadu (DTLST) terdaftar, atau policy brief, atau
- naskah akademik yang diserahkan kepada pengguna atau karya monumental, atau
- hak cipta yang relevan dengan penelitian.

The screenshot shows a web browser window with the URL <https://bima.kemdikbud.go.id/pengumuman>. The page features the BIMA logo (Basis Informasi Penelitian dan Pengabdian Kepada Masyarakat) and navigation links for 'Tentang Bima', 'Pengumuman', 'Berita', 'Tautan', and a 'Login' button. The main content area displays two announcements. The first announcement, dated 23 January 2023, is titled 'Announcement: 12th Call for Proposals eAsia Joint Research Program - Climate Change and Health Research'. It includes a list of downloadable documents: 'Lampiran 4 - Application form Environment\_Low Carbon Society.docx', 'Lampiran 3 - Panduan Environment\_Low Carbon Society.pdf', 'Lampiran 2 - Application form Climate Change and Health.docx', 'Lampiran 1 - Panduan Climate Change and Health.pdf', and 'Pengumuman 12th Call for Proposals eAsia JRP.pdf'. The second announcement, dated 20 December 2022, is titled 'Perpanjangan Batas Waktu Pengunggahan Laporan Akhir Program Kosabangsa Tahun 2022'. The Windows taskbar at the bottom shows the time as 09:42 on Tuesday, 28/02/2023.

# eASIA website: [www.the-easia.org/jrp/](https://www.the-easia.org/jrp/)

The screenshot shows a web browser window with the URL <https://www.the-easia.org/jrp/>. The browser's address bar and tabs are visible at the top. The main content area features a large image of a traditional East Asian pagoda on a lake. Below the image is a navigation bar with a "Home" link. The main content is divided into two columns. The left column has a "Call for Proposals" section with two entries: one dated 2023/01/10 regarding a call for proposals in the field of 'Environment' on the topic of Low Carbon Society, and another dated 2022/12/15 regarding a call for proposals in the fields of 'Climate Change and Health Research'. The right column contains several promotional banners for SciencePortal Asia Pacific, Science Japan, e-ASIA JRP Projects and Researchers, and an e-ASIA JRP Brochure download PDF link. The Windows taskbar is visible at the bottom of the screen.

Call for Proposals

2023/01/10 **New!** Call for proposals in the field of 'Environment' on the topic of Low Carbon Society. Deadline for proposal submission is April 28, 2023. Please find the [guideline](#) and [application form](#) from here.

2022/12/15 **New!** Call for proposals in the fields of 'Climate Change and Health Research'. Deadline for proposal submission is March 30, 2023. Please find the [guideline](#) and [application form](#) from here.

What's New

2022/12/21 **New!** Announcement of the review results of the 11th Call for Proposals in the field of "Health Research" on the topic of "Infectious Diseases (including Antimicrobial

## UPDATE:

1. PI Indonesia harus mengirimkan proposal kepada:  
<http://ringkas.kemdikbud.go.id/validasiEasia>
2. DIKBUDRISTEK akan memberikan form approval untuk proposal yang telah memenuhi syarat.
3. Proposal dikirimkan kepada [easia\\_secretariat@jst.go.jp](mailto:easia_secretariat@jst.go.jp) and [penelitian.drtpm@kemdikbud.go.id](mailto:penelitian.drtpm@kemdikbud.go.id)

### Climate Change and Health

Approval Deadlines from

DIKBUDRISTEK:

**24 March 2023**

Application deadlines:

**30 March 2023**

### Environment: Low Carbon Society

Approval Deadlines from

DIKBUDRISTEK:

**14 April 2023**

Application deadlines:

**28 April 2023**

Terima Kasih
