RESITS ITS

Research Evaluation & Service of ITS (RESITS)

RESITS is a research funding program that aims to improve the ITS's competitiveness through product/technology commercialization or implementation of policies/governance or publications.

RESITS is a website-based application based to manage the entire RESITS funding business process. RESITS is adopted from eRISPRO LPDP Ministry of Finance under the management of PUSINTEK (Pusat Sistem Informasi dan Teknologi Keuangan) and The Directorate of Technology and Information System Development (DPTSI) ITS

RESITS is in collaboration with:

RESITS

- Research Evaluation & Service of ITS (RESITS) adalah SIM Evaluasi dan Layanan Penelitian ITS.
- Program pendanaan penelitian yang bertujuan untuk meningkatkan daya saing ITS melalui komersialisasi produk/teknologi atau implementasi kebijakan/tata kelola atau publikasi.
- Aplikasi berbasis website untuk mengelola seluruh proses bisnis pendanaan penelitian, pengabdian kepada masyarakat dan inovasi di ITS.
- RESITS diadopsi dari eRISPRO LPDP Kementerian Keuangan di bawah pengelolaan PUSINTEK (Pusat Sistem Informasi dan Teknologi Keuangan) dan dikembangkan lebih lanjut sesuai kebutuhan ITS oleh Direktorat Pengembangan Teknologi dan Sistem Informasi (DPTSI) ITS

The screenshot shows a user interface for a researcher's profile. At the top, there is a navigation bar with a logo, a 'Help' button, a language dropdown set to 'English', and buttons for 'Home', 'Selection', 'Grantee', and 'My Profile'. The main content area is titled 'Researcher Publication & Intellectual Property'. On the left, a profile card for 'LALU MUHAMAD JAELANI, S.T., M.Sc., Ph.D.' includes contact information and a 'Synchronize my data with SINTA' button. The main section, '1. My Publication(s)', shows a 'Complete' status and three categories: 'Scopus' (highlighted in purple), 'GS Documents', and 'Other'. A 'Synchronize my data with SINTA' button is highlighted with a red box at the bottom right.
