Nomor : **463/IT2.IV.1/B/TU.00.09/II/2024**
Lampiran : 1 (satu) set
Perihal : **Call for Proposal Hibah Penelitian Luar Negeri 2024
IKI Thematic Call 2023**

Kepada Yth. : Para Kepala Departemen
Di lingkungan Kampus ITS
Surabaya

Sehubungan dengan dibukanya hibah penelitian luar negeri 2024 dari **IKI Thematic Call 2023** yang didanai oleh **German Federal Government**, dengan ini diinformasikan kepada seluruh dosen dan peneliti Institut Teknologi Sepuluh Nopember (ITS) bahwa terdapat peluang untuk terus menciptakan inovasi melalui kerjasama dan penelitian dengan mitra luar negeri. Program hibah dari **IKI Thematic Call 2023** ini berfokus pada tema prioritas berikut ini :

- *Climate-friendly transport: Support of partner countries in the creation of foundations, strategies, and concrete approaches for climate action and the propulsion/energy transition in transport (BMWK)*
- *Embodied carbon: Decarbonisation of the construction and basic materials industry (BMWK)*
- *Flexibilisation of the distribution grids for the integration of high proportions of renewable energies (BMWK)*
- *Support to partner countries on the EU Border Adjustment Mechanism (CBAM) and carbon pricing for the decarbonisation of industry (BMWK)*
- *Scaling up of successful mitigation relevant IKI approaches in the fields of energy, energy efficiency, industry, finance, and mobility (BMWK)*
- *Closing the loop – circular and resource-efficient management as a driver for climate and environmental protection, especially in G20 emerging economies (BMUV)*
- *Climate Information Services – Promotion of regional systems for evidence-based NAP processes to strengthen the resilience of people and ecosystems (BMUV)*
- *Protecting, restoring, and strengthening the resilience of mountain peatlands in Latin America as well as peatlands in the Argentinian part of Patagonia (BMUV)*
- *Capacities and structures for ambitious biodiversity conservation at the sub-national level (BMUV)*
- *Resilience through biodiversity – networking and restoration of protected areas, OECMs, and highly degraded areas in Sub-Saharan Africa (BMUV)*
- *From the negotiating table to the high seas: Support for the implementation of the BBNJ Treaty for marine protection (BMUV)*
- *Diverse, cultural world-views in equitable protection approaches (BMUV)*
- *Accelerating the energy transition in Sub-Saharan Africa (Federal Foreign Office)*

Deadline submit project outline idea : **27 February 2024, 4 p.m. (CET)**

Satu atau dua proyek per prioritas tematik akan dipilih. Jumlah pendanaan yang disediakan oleh IKI per proyek dapat berkisar antara **5 hingga 20 juta EUR** tergantung pada prioritas tematiknya.

Informasi lebih lanjut mengenai detail hibah penelitian **IKI Thematic Call 2023** dapat menghubungi iki-office@z-u-g.org atau akses pada tautan berikut: [IKI Thematic Call 2023 | Internationale Klimaschutzinitiative \(IKI\) \(international-climate-initiative.com\)](https://www.international-climate-initiative.com/). Apabila dibutuhkan lembar pengesahan pimpinan DRPM bisa dikirimkan melalui <https://linktr.ee/drpm.its> dan konfirmasi ke Admin DRPM ITS wa.me/6281333250025

Atas perhatian dan kerjasamanya disampaikan terima kasih.

Surabaya, 02 Pebruari 2024
Direktur Riset dan Pengabdian Kepada
Masyarakat,

Fadlilatul Taufany S.T., Ph.D.
