

## Medieval PVP

By: Fernando

### Deskripsi

Di sini kalian main game aja, di Domjudge hanya perlu submit kode yang ngeprint  
"Easy AC!"

Namun, kalian hanya akan mendapatkan AC jika **mendapatkan 7 atau lebih kemenangan dan masuk ke dalam tab Winners**. AC akan diberikan setelah FP selesai.  
GLHF :)

[Link Game](#). Kalian perlu memakai WIFI / VPN ITS. [Contact me if there's a problem!](#)

Jika kamu angkatan 24, kontak aku untuk register.

Here, you only need to play a game. In the domjudge you just need to submit a code that prints "Easy AC!"

But, you will only get AC upon **7 victories and get in the Winners tab**. AC will be handed out after FP ends.
