

# Engineering Colleges Partnership Forum in Asia

## "Clean Energy, Clean City"

August 4<sup>th</sup> – 8<sup>th</sup>, 2019  
Surabaya, Indonesia

# Engineering Colleges Partnership Forum in Asia

Surabaya, 4-8 August 2019  
at Institut Teknologi Sepuluh Nopember (ITS) Indonesia

## Objective

- Bridge research interest and teaching experience among participating universities
- Create collaboration and related programs that allow the exchange of information and opportunities to its constituents through relevant programs such as exchange student programs.
- Extensive exposures between participating universities, allowing future collaboration projects among all that join the forum.

## Time and Place

Time : 4 August to 8 August 2018

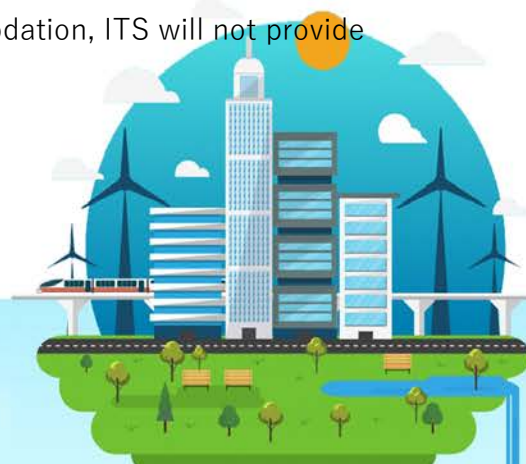

Place : Institut Teknologi Sepuluh Nopember (ITS), Surabaya Indonesia

## Participant

University	Country
Institut Teknologi Sepuluh Nopember (ITS)	Indonesia
National Cheng Kung University (NCKU)	Taiwan
Kobe University	Japan
Kyoto University	Japan
The Hongkong Polytechnic University	Hongkong
Universitas Gadjah Mada	Indonesia
Universitas Brawijaya	Indonesia

## Accommodation and Local Transport

- ITS will provide airport pick-up from Juanda International Airport to each accommodation.
- ITS will provide airport drop-off only from ITS campus to Juanda International Airport.
- ITS will provide 5 nights free accommodation (shared room) for maximum 5 students from each university at ITS Guest Houses or dormitory.
- Each university should notify ITS during the registration process whether their students will stay at the selected accommodation provided by ITS or not.
- If the students choose to stay at other hotels or accommodation, ITS will not provide a reimbursement.
