

# **GUIDE BOOK**

## **Joint Workshop for Global Engineers in Asia and Beyond 2019**

**21-26 July 2019  
Surabaya, Indonesia**

## Objective

- Support the development of communication, planning, leadership, and cross-cultural skills through joint implementation of students from a variety of linguistic, cultural, and research backgrounds
- Improve understanding and recognition of different culture and English ability of the students
- Promote networking and research exchange among 5 universities' faculties, researchers and students

## Time and Place

Time : 21 July to 26 July 2018

Place : Institut Teknologi Sepuluh Nopember (ITS), Surabaya Indonesia

## Participant

University	Country
Institut Teknologi Sepuluh Nopember (ITS)	Indonesia
Ritsumeikan University (RU)	Japan
Universiti Teknologi Malaysia (UTM)	Malaysia
King Mongkut's University of Technology Thonburi (KMUTT)	Thailand
Saint Petersburg Electrotechnical University (ETU)	Russia

## Accommodation and Local Transport

- ITS will provide airport pick-up from Juanda International Airport to each accommodation.
- ITS will provide airport drop-off only from ITS campus to Juanda International Airport.
- ITS will provide 5 nights free accommodation (shared room) for maximum 10 students from each university at ITS Guest Houses or dormitory.
- Each university should notify ITS during the registration process whether their students will stay at the selected accommodation provided by ITS or not.
- If the students choose to stay at other hotels or accommodation, ITS will provide a reimbursement equal to the cost of ITS Guest Houses which is IDR 100.000 per student per night. Reimbursement will be given at the end of the program, after the students submit receipts from the hotel they chosen.
- ITS will provide an assistance for professors to find suitable accommodation or hotel nearby campus.
- Local transport from the students' chosen accommodation to ITS must be paid by the students.
