

2020 Summer Program

• FOR INTERNATIONAL STUDENTS •

JULY 29 - AUGUST 12

INTRODUCTION

This fourteen-day summer program is intended for engineering students at the sister institutes of National Chung-Hsing University to delve into the engineering technologies and the cultural beauty of Taiwan, which offers a series of laboratory experience, field trips and cultural interaction.

Geographically located between Japan and Philippines along the west rim of the Pacific Ocean, Taiwan is celebrated for its stunning vibrancy in industrial innovation. It is also one of the leading e-societies in the Asia-Pacific region. These economic achievements have been highly associated with a distinctive culture comprising of a wide array of Chinese and indigenous elements.

ABOUT COLLEGE OF ENGINEERING, NCHU

Departments:

1. Civil Engineering
2. Mechanical Engineering
3. Environmental Engineering
4. Chemical Engineering
5. Materials Engineering

Graduate institutes:

1. Precision Engineering
2. Biomedical Engineering.

FINANCING AND PERSONNEL SUPPORT

For every participates the program, NCHU will provide accommodations, tuition and food expenses. Airfare and travel insurance are at the participates' own expense.

Contact Number : +886-4-22840430 ext. 706 Ms. Crystal Pan
