Mobility breakthrough: globally connected at home

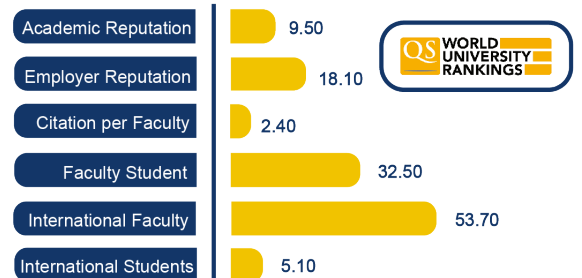

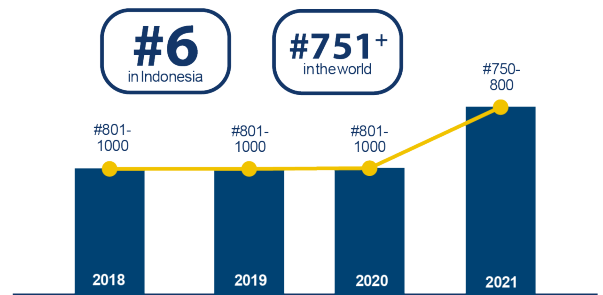

## ITS WORLD RANKING:

*Significant leap in the last 4 years*

ITS has recorded a leap in 2021 QS World University Ranking (QS WUR) moving from rank #800-1000 to rank **#751-800** according to a report released by Quacquarelli Symonds (QS) on June 10, 2020. ITS also rises to the top 6 universities in Indonesia. This achievement reflects all efforts done by ITS for the past 4 years to provide excellent and internationally reputable education services. Those efforts are including the improvement in numbers of

Scopus-indexed international publications, the number of international mobility, as well as the ITS website redesign.

Located in London, QS is a reliable source to learn about university's performance. QS WUR's assessment manifests in 6 important indicators that are Academic Reputation, Employer Reputation, Citations per Faculty, Faculty Student, International Faculty, and International Students.

## STRENGTHENING SYNERGY WITH ITS ALUMNI TOWARD WORLD CLASS UNIVERSITY

Amid the covid-19 pandemic, ITS strives in creating programs to make sure the connection to the alumni is limitless. On June 20, 2020, ITS hosted a webinar bringing the theme "Strengthening Synergy with ITS Surabaya's Alumni toward World Class University (WCU)". The virtual meeting was held not only for gathering the successful alumni but also for synergizing the commitment of alumni to support ITS towards WCU.

The invited speakers Prof. Dr. Ir. Mochamad Ashari, M.Eng (ITS Rector) and Rulli Pratiwi Setiawan, Ph.D. (Senior Manager for WCU - ITS) gave a speech that was energetic, enriching and insightful.

Huge appreciation also went to the speakers as representatives from IKA ITS (ITS Alumni Association) and IKA ITS Luar Negeri (ITS Global Alumni Association) for sharing innovating ideas and programs for the better management of ITS alumni in the near future.

# ITS E-PROGRAMS: Globally Connected at Home

Since the beginning of 2020, Covid-19 pandemic has swept across the world, affecting various sectors of life, including higher education. Studying abroad, echoed to be a new normal in the end of 2019, and many interesting and exciting international gatherings provided for academic and administrative staff, are restricted in the “new normal” era. In the time when physical mobility becomes a main concern, innovation is necessary to survive and strengthen its internationalization, might as well to stay in the global race of World Class University. To answer that challenge, ITS Surabaya is launching a series of E-Programs with main purpose of bringing international exposure home.

E-Programs, aiming on maintaining the quality of global education through a safe way by staying at home, gives way to international students and academic staffs connect and interact globally. It consists of many schemes available in September 2020.

Further information  
about E-Programs
