

OPEN FOR PUBLIC

LIFE AND OPPORTUNITIES FOR HIGHER EDUCATION

IN CONJUNCTION WITH R²SEP

R2SEP is a research skills oriented program where ITS researchers and research students can learn from a series of guest lectures delivered by worldwide professors and experts. In the session for Hard Engineering Stream with IIT Bombay, our speaker will not only share lecture, but also study opportunities at IIT Bombay. IIT Bombay itself has been ranked 1st in India and 49th in Engineering and Technology on QS World University Rankings by Subject 2021. Join us, now!

SPEAKER

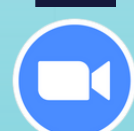

Prof. Amit Agrawal
Institute Chair Professor
Mechanical Engineering Department
IIT Bombay, India

Thursday, 20 May 2021
