YOUR ULTIMATE SOURCE ON
ITS GLOBAL ENGAGEMENT PROGRAMS

As we are stepping into the great unknown, we want to thank you for continuous support throughout this year. We hope 2022 will be filled with companionship, resilience, and optimism.

New Year, New Office

In the end of 2021, we have moved out to the brand-new office called ITS Global Kampong Building. The establishment of this building is part of our commitment to strive for internationalization and to be a World Class University. Looking forward to welcoming you!

Croatian Ambassador Visited ITS

ITS continues to foster collaborations with more countries across continents. On Wednesday (15/12), the Ambassador of Croatia visited ITS to discuss collaboration between them. In this meeting, ITS offered several opportunities to collaborate in science, research, and technology.

ITS Bagged Two Trophies in RoboCup Asia Pasific 2021

ITS just accomplished another international achievement. ITS Robotics team, IRIS, bagged two trophies in RoboCup Asia Pasific 2021 on Monday (29/11). ITS won second place in the *Video Challenge* category and the fourth place in the *Scientific Challenge* category.

With very best wishes for a happy New Year,

Prof. Dr. Ir. Mochamad Ashari, M.Eng.
Rector of Institut Teknologi Sepuluh Nopember (ITS)
