

DIVERSITY & INCLUSION

IMMERSE YOURSELF IN
ALL THE BEST THE WORLD
HAS TO OFFER

About the Program

Diversification of national and international work environments has precipitated an urgent need to provide cross-cultural communication skill development for learners.

Using multimedia content, this course focuses on developing skills that learners need to engage meaningfully and successfully with people from a wide array of backgrounds, targeting learners' understanding of identities and what that means for communicating across cultures.

The course combines synchronous activities with multi-media, engaging asynchronous materials.
