# CALL FOR APPLICATION

# ADJUNCT PROFESSOR PROGRAM

Adjunct professors are defined as professors who are hired on a contractual basis. Adjunct professors at ITS Surabaya may choose one of two types: teaching-based or research/publication-based commitment.

ITS Surabaya is one of the best technological institutions in Indonesia. ITS ranks 165 in the QS Asia University Rankings 2021, and ranks 3rd in Indonesia for the Times Higher Education WUR 2021 score. We are dedicated to provide an international learning and teaching environment for student and staff, and international partnership holds an important role for this. We are therefore open for collaborations with overseas professors and lecturers to participate as Adjunct Professor at ITS Surabaya.

## PROGRAMS

1. Teaching-based Adjunct Professor
2. Research/publication-based Adjunct Professor

## BENEFITS

1. Entitled to use ITS Adjunct Professor in business cards and during official correspondence
2. Entitled to functional title at ITS, equivalent to the functional title at the home university, by adding "Adjunct" following to the title
3. Easy and free access to ITS services such as library, working space, e-mail and research facility based on the need.
4. Financial support for flight ticket, accommodation and per diem during your stay in Surabaya or honorarium for teaching.
