# Opportunities for ITS Students to Go Global

# ***Program Outbound Mobility & in Country International Program***

Peranan Direktorat Kemitraan Global (DKG)

- Mencari dan membuka peluang-peluang baru untuk kegiatan dengan skala internasional
- Mempromosikan kesempatan *outbound mobility & in country international program*
- Melakukan seleksi di tingkat institut
- Menyampaikan *benefit* kompetensi yang akan diperoleh dari kegiatan *outbound mobility & in country international program*
- Memfasilitasi pengajuan dana bantuan untuk mobilitas *outbound* mahasiswa (fisik), link sbb:  
<https://www.its.ac.id/international/its-goes-global/funding-support/>

# ***Pengaruh Partisipasi Mahasiswa ITS dalam Program Mobility***

- Sebagai bentuk kerjasama aktif dengan mitra ITS
- Sebagai salah satu bagian kriteria dalam pemeringkatan ITS dalam tingkat nasional dan internasional
- Jika output kegiatan mobility berlanjut (contohnya lab internship) ataupun impression terhadap mahasiswa ITS baik, dapat meningkatkan reputasi ITS
- Menambah nilai added value mahasiswa (bisa ditanyakan langsung pada speaker setelah sesi ini)

keypoint: reputasi ITS

## ***Tantangan dalam Program Mobility***

- **Kesiapan mental dan detail informasi (masih banyak mahasiswa ITS yang tidak membaca informasi dengan baik)**
- **Perubahan trend dan tuntutan dari pusat (keadaan yang uncertain, banyak kebijakan baru yang menciptakan peluang namun butuh penyesuaian)**
- **Kompetisi yang ketat dengan kampus lain khususnya dengan kampus BHMN Indonesia lainnya**

# Contoh Universitas Mitra/Non Mitra

**Malaysia:** Universiti Teknologi Malaysia (UTM), Universiti Teknikal Malaysia Melaka (UTeM), Universiti Kuala Lumpur (UniKL)

**Thailand:** King Mongkut's University of Technology Thonburi (KMUTT), Thailand

**Jepang:** Shibaura Institute of Technology (SIT), Kumamoto University, Kobe University

**Korea Selatan:** Chung Ang University, Dankook University

**Taiwan:** Asia University, National Taiwan University of Technology & Science (NTUST)/ Taiwan Tech, National Chung Cheng University (CCU)

**Eropa:** Istanbul Aydin University (IAU) Turkey, Hochschule Darmstadt University of Applied Sciences, Germany

**Mohon diingat: setiap mitra belum tentu membuka peluang programnya setiap semester, tergantung dari keadaan internal univ, negara serta hubungan dengan ITS**

## ***Jenis Outbound Mobility***

*Student Exchange* (pertukaran pelajar dengan transfer kredit)

Program magang/penelitian (*internship*) dari Lab/bimbingan profesor dari mitra/ non mitra universitas di LN

*Short Program* (program jangka pendek) dari mitra/non mitra universitas/ organisasi di LN

*Community Service Program* dari mitra/non mitra universitas

## ***Jenis In Country International Program***

*Short Program* (program jangka pendek) atau *Community Service Program* internasional yang diadakan di Indonesia oleh ITS atau universitas/organisasi yang direkomendasikan

*Guest Lecture Series (GLS) with International Speakers* yang diadakan di Indonesia oleh ITS atau universitas/organisasi yang direkomendasikan

# *Arahan Secara Umum*

- Program Student Exchange di prioritaskan untuk mahasiswa semester 4 - 7 (saat berangkat/program berlangsung) untuk memaksimalkan kredit transfer, Short Program bisa untuk semua angkatan tergantung tipe programnya, Lab Internship difokuskan pada mahasiswa tingkat akhir

- Wajib credit transfer untuk student exchange
- Mostly pendaftaran program student exchange via ITS GE, sisanya mendaftar program via Dept
- Mahasiswa harus membaca segala detail tentang program dan berusaha inisiatif mencari informasi mandiri sebelum mengapply program agar tidak ada penyesalan dikemudian hari

# *Scholarship Untuk Program Mobility*

- Mostly adanya bantuan scholarship untuk program student exchange/1 semester mobility
- Setiap program beasiswa mempunyai beberapa ketentuan tergantung dari sifat beasiswa, kontrak dengan ITS, termasuk ada beberapa kesempatan yang melekat pada host universitas atau based on MoU dengan ITS, sehingga tidak bisa disamaratakan untk semua kondisi. Contoh ada yang bertanya terkait JASSO Scholarship di SIT Japan (disamakan dengan kondisi Kumamoto Univ), AIMS Scholarship untuk Chung-Ang Univ (disamakan denga kondisi dari Chonnam National University)
