

# THE INDONESIAN AID SCHOLARSHIP (TIAS)

YEAR OF 2026

## The Indonesian AID Scholarship (TIAS)

---

The Indonesian AID Scholarship (TIAS) is a grant program from the Indonesian Government aimed to support the achievement of SDGs targets, especially in the education sector. As a reflection of the spirit of the Asia-Africa Summit, the Indonesian AID scholarship will develop the skills and expertise of future leaders from Indonesia's priority countries. It acts as a soft diplomacy to strengthen cooperation and friendship among partner countries through the development of human resources between countries.

TIAS for 2026 intake offers a diploma, bachelor, master and doctoral degree program for Civil Servants, government officers/ lecturers and/or persons officially nominated by the targeted government. This scholarship offers an unforgettable educational experience in Indonesia through studying at a well-known university and polytechnic as well as living experience in a multicultural and multilingual country. Through TIAS, students will enhance their intellectual standing, develop their competencies, and open wider professional opportunities, a foundation for post-college success.

## Program Overview

---

The **Indonesian AID Scholarship (TIAS)** intake year 2026 is designed to strengthen human capital development and foster long-term partnerships between Indonesia and its partner countries through quality higher education.

To ensure academic and cultural readiness and smooth integration into the Indonesian higher education system and society, the TIAS 2026 program will **commence with a preparatory phase program (Pre-Study Program) prior to the start of the academic study period**. This preparatory phase consists of **Bahasa Indonesia for Foreign Speakers (BIPA)** and a **matriculation program**.

### Preparatory Phase

#### 1. BIPA (Bahasa Indonesia for Foreign Speakers)

All awardees are required to participate in an intensive BIPA program aimed at developing basic to intermediate proficiency in the Indonesian language for a maximum of 6 months. This component is essential to support daily communication, academic engagement, and cultural adaptation during the study period in Indonesia.

#### 2. Matriculation Program

Following the BIPA course, awardees will undertake a matriculation program for a maximum of 4 months designed to harmonize academic competencies, familiarize students with the Indonesian higher education system, and strengthen foundational knowledge relevant to their respective fields of study. The matriculation program also introduces academic ethics, refreshment of fundamental knowledge, research methodologies, academic writing, and learning strategies relevant to the students' respective fields of study.

### Academic Study Period

Upon successful completion of the preparatory phase, awardees will proceed to the **formal academic study period** in accordance with their degree program and host university curriculum. Throughout the study period, students are expected to maintain satisfactory academic performance and comply with all program regulations.

The duration of Scholarship is exclusively and correlated to the duration of the preparatory phase and academic program as indicated below:

No	Program	Duration
<b>A. Preparatory Program</b>		
1	Indonesian Language Course (BIPA)	Maximum 6 months
2	Matriculation	Maximum 4 months
<b>B. Academic Study Program</b>		
3	Doctorate Program (by research and regular)	Maximum 48 months (8 semesters)
4	Master	Maximum 24 months (4 semesters)
5	Diploma IV or Bachelor	Maximum 48 months (8 semesters)
6	Diploma III	Maximum 36 months (6 semester)

**Note:** please be informed that the duration scholarship program is consist of preparatory program and the academic study program. Please take into account the total duration of the scholarship program if you are required to make an agreement with your home country.

  - b. Commitment to return and serve your home country after study completion;
  - c. Commitment to cover losses in the form of refunding scholarship funds if awardee carry out actions that violate the contract in the personal statement/ student agreement.
3. The results of the administrative selection will become the basis for program management partners (universities/ polytechnic) to carry out the academic selection stages.

## B. Academic Selection

1. Academic selection is a continuing series of administrative/file selection which at a minimum consists of the following stages:
  - a. Desk Study;
  - b. Psychological Test; as well as
  - c. Interview.
2. The desk study is an evaluation process conducted to assess prospective students based on their submitted academic eligibility documents.
3. A psychological test is a test carried out to measure aspects of an individual's psychological abilities and their relationship to the individual's intellectual, interests and talents in the field of education.
4. The interview test is a question-and-answer process carried out by interviewers from universities/official schools to Scholarship Selection Participants in order to collect certain data or information aimed to obtain an idea of whether or not the selection participants are eligible to receive a scholarship.
5. Apart from psychological tests and interviews, an Academic Potential Test (TPA) can be carried out which aims to determine the talents and abilities in the academic or scientific fields of Scholarship Selection Participants. TPA will be carried out optionally depending on the policies of each study program/university.
6. Universities/official schools will determine the standards for passing the academic tests for scholarship selection participants.
7. The entire series of academic test processes will be carried out individually online by universities/polytechnic.
8. The results of selection will be announced through the website [www.tias.kemenkeu.go.id](http://www.tias.kemenkeu.go.id).

## C. Health Test

All prospective TIAS scholarship awardees are required to undergo a comprehensive **medical and psychological assessment** as part of the selection and eligibility process. This assessment includes but not limited to:

- a. **mandatory drug testing** to ensure that candidates are free from the use of illegal or prohibited substances;
- b. screening for communicable diseases (HIV/AIDS, tuberculosis (TBC), electrocardiogram (EKG) and any other endemic diseases specific to each respective region, i.e. Ebola, Yellow Fever, etc to ensure that candidates do not pose health risks to themselves or others during the scholarship period);
- c. a mental health evaluation to determine psychological readiness and emotional stability for undertaking academic studies abroad, **as evidenced by a certificate issued by a psychiatrist.**

### Important Note:

The health examination will be carried out in Indonesia. Prospective awardees who fail to pass the medical examination shall not be permitted to continue their study program in Indonesia and shall be required to return to their home country.

## Placement

Placement of Awardee is a series of processes consisting of:

- a. Making a Student Agreement with Ministry of Higher Education, Science and Technology (MoEHST) Indonesia;
- b. Engagement Process (Grant Agreement) with grant recipient countries;
- c. Administrative Registration at the intended universities; as well as
- d. Departure.

In the event that the selection participant agrees to receive a TIAS scholarship, the selection participant is required to sign a Student Agreement between awardee and MoHEST.

## Return
