Your journey in four bold moves

HOSTED AT GALGOTIAS UNIVERSITY, GREATER NOIDA

01 Arrive
Meet your team and experience New Delhi.

02 Discover
Enter industry, research users and frame the challenge.

03 Build
Prototype, test and shape the venture story.

04 Pitch
Compete, celebrate and graduate with your team.

WHAT YOU WILL DO

Build, test and pitch

- Collaborate in interdisciplinary and multicultural teams
- Investigate real societal and industry challenges
- Apply Design Thinking, entrepreneurship and systems thinking
- Prototype with AI and rapid development tools, with faculty and iOS student mentors
- Learn from entrepreneurs, startups and industry leaders
- Pitch before faculty, industry experts and participating peers

WHAT YOU WILL TAKE HOME

Come for a challenge.

- A tested prototype and a compelling pitch
- Greater confidence in creativity, collaboration and leadership
- International friendships and an interdisciplinary network
- A reflective portfolio, programme recognition and lasting memories of India

Leave with a validated digital MVP, a pitch and a new view of what's possible.
