GALGOTIAS UNIVERSITY

INTERNATIONAL SHORT-TERM PROGRAMME

Building Opportunities. Transforming Futures.

GLOBAL SERVICE LEARNING & COMMUNITY INNOVATION

TEACHING BEYOND BORDERS

Step into education beyond your own classroom. Work with schools, educators and communities in India to understand real challenges, exchange perspectives and co-create solutions.

Take new ideas, perspectives and practices back to your own teaching.

Community engagement in India

REGISTRATION DEADLINE · REGISTER BY 2 Nov · GALGOTIAS UNIVERSITY

PROGRAMME DATES

7–20 Dec

ACADEMIC CREDITS*

Up to 3

PER PARTICIPANT*

USD 1,000

The Community Innovation Challenge

WHAT YOU WILL DO

STEP 1

Discover

Observe schools and communities, assess needs and meet local stakeholders.

STEP 2

Co-design

Develop teaching resources, digital learning materials or community initiatives.

STEP 3

Test & refine

Build prototypes with mentors and pilot them with the community.

STEP 4

Showcase

Present your solution to faculty, community representatives and invited guests.

Inclusive & equitable education · Digital literacy & ed-tech · STEM / SHAPE education · Environment & sustainability · Health & well-being · Financial literacy & life skills · Community outreach & youth empowerment

Programme highlights

Authentic service learning
With schools, NGOs and local communities.

Design Thinking
Human-centred, applied to authentic educational challenges.

Multicultural teams
International students with Galgotias University peers.

Sustainability at the core
Grounded in Education for Sustainable Development.

Community immersion
Experiential learning beyond the classroom.

Reflection & leadership
Developed through structured service learning.

WHO YOU WILL ENGAGE WITH
