Is there evidence of a discrepancy between the student's performance in coursework/seminars/written examinations?

- Yes
 No
 Not known

If the student has not already been to the Disability Advisory Service, please encourage them to make an appointment as soon as possible as this will enable us to process the request sooner.

Selama kebutuhan mahasiswa tidak berubah, hanya satu aplikasi yang perlu diajukan, dan ini dapat tetap berlaku selama studi di ITS

As long as the student's needs do not change only one application will need to be submitted, and this can remain in place for the duration of their study at ITS
