

CALOHEA

MEASURING AND COMPARING ACHIEVEMENTS OF LEARNING OUTCOMES IN HIGHER EDUCATION IN ASIA

NATIONAL MEETING 2023

Tuning CALOHEA ASIA

WHAT IS CALOHEA ?

CALOHEA is an organizational that aims to **contribute internationalization of higher education institutions** through developing a series of interrelated measures indispensable for improving recognition of higher education degree.

MEMBERSHIP OF CALOHEA

OUR MEMBER UNIVERSITIES

Logos of member universities and partners include:

- Tuning CALOHEA ASIA
- ITS Institut Teknologi Sepuluh Nopember
- Universitas Pendidikan Indonesia
- UNIVERSITAS HASANUDDIN
- BK HCM Ho Chi Minh City University of Technology
- TRƯỜNG ĐẠI HỌC XÂY DỰNG National University of Civil Engineering
- Chula Chulalongkorn University
- UNIVERSITY OF GRONINGEN
- ASEAN University Network
- With the support of the Erasmus+ Programme of the European Union
- UIN
- UNIVERSITI SAINS MALAYSIA
- UNIVERSITI MALAYA
- UTM UNIVERSITI TEKNOLOGI MALAYSIA
- Laos Souphanouvong University

- Throughout the project, two National Meetings will be organised in each seven countries (Cambodia, Indonesia, Laos, Malaysia, The Philippines, Thailand, and Vietnam).
- As one of the university members, **Institut Teknologi Sepuluh Nopember (ITS)**, which will be represent by **Department of Civil Engineering**, is committed to support and carry out all activities related to CALOHEA.

CALOHEA NATIONAL MEETING

The National Meeting is a major part of CALOHEA dissemination activities, where CALOHEA Recognition Mechanisms will be showcased to relevant stakeholders, in order **to promote the use of Recognition Mechanisms and seek for implementation plans of each nation within the project.**

BACKGROUND OF MEETING

The main goal of the National Meeting is **to present every CALOHEA product to the public and exemplify how each stakeholder can benefit from exploiting CALOHEA outputs** that will ultimately result in the recognition study programme that contributes to the enhancement of internationalisation in ASEAN Higher Education.

MAIN OBJECTIVES

- **To promote participants' awareness and understanding of the benefits and how to effectively utilise CALOHEA Recognition Mechanisms** to increase and enhance mobility in higher education.
- **To be a platform to promote internationalisation in higher education** among the partners in the ASEAN and EU region

SPEIFIC OBJECTIVES

ASEAN REGION

- To present the opportunity for advancing internationalisation across Southeast Asian Higher Education Institutions (HEIs) by introducing Recognition Mechanisms.
- To provide a foundation for strategizing and formulating a policy in regard to the enhancement of internationalisation in the Southeast Asian region.
- To promote a strong network of ASEAN Internationalisation and Recognition Champions, who can foster a cross-national approach to internationalisation in order to improve inter-regional and global relevance and partnerships.

ASEAN REGION EDUCATION INSTITUTION

- To encourage the implementation of Recognition Mechanisms among ASEAN HEIs.
- To create a mutual understanding among ASEAN HEIs on the practical benefits of implementing Recognition Mechanisms that can contribute to each institution's internationalisation efforts.
- To provide the tools and training that support the capacity building of staff in the field of Quality Assurance, as well as institution and study programme design.
- To address and ease any limitation that arises from implementing Recognition Mechanisms in the practical field.

STUDENTS

- To present the opportunity for improving student mobility that comes with the recognition of more study programmes.
- To present more accountability in student workload and its direct benefit to students.
- To present the changes in the new way of authentic assessment that will help the student achieve their desired learning outcomes

OUTPUT

- **Outputs Certification** of participation and achievement to participants who attended the National Meeting
- **Summary Report** of the National Meeting
 - Materials gathered through Workshop Sessions
 - Compilation of Feedback on Recognition Mechanisms (by Leaders of CALOHEA Institutional Team)
 - Implementation Plan of Recognition Mechanisms (by CALOHEA Project Coordinator)
- **Audio-visual material** of the National Meetings for other relevant dissemination activities 1

EXPECTED OUTCOMES

- Participants will be aware of the internationalisation effort of ASEAN Higher Education Institutions and the need for implementation of CALOHEA Recognition Mechanisms.
- Participants will be able to utilise the knowledge gathered in the activities to adopt, develop and implement the 3 Recognition Mechanisms in their programme.
- A platform for discussion regarding the use of Recognition Mechanisms and internationalisation in ASEAN higher education is established at the national level.
- A platform for gathering expertise in internationalisation in higher education is established.

TIMELINE OF CALOHEA NATIONAL MEETING

ROUND 1

MARCH - MAY 2023

- **2-3 March 2023**, Indonesia, hosted by Institut Teknologi Sepuluh Nopember (ITS)
- **9-10 March 2023**, Thailand, hosted by Chulalongkorn University (CU)
- **5-6 April 2023**, Lao PDR, co-hosted by the National University of Laos (NUOL) and Souphanouvong University (SU)
- **18-19 April 2023**, Viet Nam, hosted by the University of Medicine and Pharmacy (UMP) at Ho Chi Minh City
- **11-12 May 2023**, Cambodia, hosted by the Institute of Technology of Cambodia (ITC)
- **18-19 May 2023**, The Philippines, hosted by the University of San Agustin (USA)
- **May 2023** (TBC), Malaysia, hosted by Universiti Teknologi Malaysia (UTM)

ROUND 2

AUGUST-NOVEMBER 2023

- **August 2023**, Indonesia, hosted by Universitas Hasanuddin (UNHAS)
- **August 2023**, Viet Nam, hosted by Hanoi University of Civil Engineering (HUCE)
- **September 2023**, Thailand, hosted by Prince of Songkla University (PSU)
- **September 2023**, The Philippines, hosted by Ateneo de Manila University (ADMU)
- **October 2023**, Lao PDR, co-hosted by the National University of Laos (NUOL) and Souphanouvong University (SU)
- **October 2023**, Cambodia, hosted by Svay Rieng University (SRU)
- **November 2023**, Malaysia (host is TBC)

MEETING PROGRAMME

INDONESIA HOSTED BY INSTITUT TEKNOLOGI SEPULUH NOPEMBER WHICH WILL REPRESENT BY DEPARTMENT OF CIVIL ENGINEERING

Date : 2- 3 March 2023

MEETING PROGRAMME

Venue : Departement of Civil Engineering ITS

March 2, 2023 Day 1 - Policy Dialogue and Knowledge Sharing

Objective : to present general overview and the benefits of the CALOHEA project to the public

Agenda :

Knowledge Sharing Session

- **Topic 1:** CALOHEA Project Overview in South East Asia and the World
- **Topic 2:** Overview of 3 Recognition Mechanisms

Policy Dialogue

- **Topic 1:** Challenge of Student Mobility/ Degree Recognition/Internationalisation: Prospect and Challenges under National and HEIs' Context

MEETING PROGRAMME

Venue : Departement of Civil Engineering ITS

March 3, 2023 Day 2 - Workshop and Roundtable Meeting

WORKSHOP

Objective - Workshop

- To provide details on each CALOHEA Recognition Mechanisms and its implementation (Product trials)
- To gather feedback from workshop participants

Metodology and Arrangement

- Workshop on RM1-3 will be held in 3 breakout rooms, led by leaders and members of CALOHEA Institutional Teams in the host country.
- Project Coordinator, European Experts, SAG Coordinators and/or Leaders of CALOHEA
- Institutional Teams from 6 other countries will provide consultation only.
- Workshop will be offered in the national language.
- Target Audiences
 - Participating academic staff will be required to attend all Workshop Sessions.
 - Employers will be required to attend only Workshop Session 1.
 - Students will be required to attend Workshop Session 2 and 3.

ROUNDTABLE MEETING

Objective - Roundtable Meeting

to contextualise the implementation plan of CALOHEA Recognition Mechanisms, according to each nation

MEETING PROGRAMME

Venue : Departement of Civil Engineering ITS

March 3, 2023 Day 2 - Workshop and Roundtable Meeting

Agenda:

Workshop

- **Session 1:** Validation of Recognition Mechanism 1 (Regional Subject-Specific Qualifications and Assessment Reference Frameworks)
- **Session 2:** Validation of Recognition Mechanism 2 (Student Workload Calculation)
- **Session 3:** Validation of Recognition Mechanism 3 (Authentic Assessment of internationally comparable Learning Outcomes)

Roundtable Meeting

- **Topic:** Feedback and Implementation Plan of CALOHEA Recognition Mechanisms

"The Department of Civil Engineering ITS can build a strong international community of champion and successfully implement and promote the CALOHEA outcomes both in the national and international level "
